Sun and Wind Bring Out Ugly Spots. How to Remove Easily.

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable concern that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of Othine—double strength—from any drugist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the drugist for the double strength Othine as this strength is sold under guarantee of money back if it fails to remove freckles.—Advertisement.

# ISLAND POND WALLOPED BY ORLEANS 8 TO 0

Only Three Hits Allowed Island Pond Batters By Gallup

Fanning no less than 16 Island Pond swatters Harold Gallup, claimant of Northeastern Vermont scholastic twirling honors, led the Orleans high school, nine to a shut-out victory 8 to 0 on Wednesday. His effectiveness is shown by the fact that not a single Orleans out-batter managed to secure a putout.

Only two Island Pond runners reached third but these were retired at the plate by Twombly, assisted by sharp fielding by Hazen Springer and Bullard.

"Windy" Springer lead in batting with three clean hits and a walk in five times at bat. Gallup drove out a three base hit to deep right field with two men on the cushions. Twombly also turned in two corking bingles. He reached the initial sack every time he came to bat and ran the base paths cleverly with a theft of three sacks.

Bullard played his usual star game at second. The return contest with Island Pond will be played at Orleans on Saturday. The summary:

# Wins Hearing On Phone Rates

(Continued from Page 1)

New England Telephone and Telegraph Company has filed with you a schedule of changes in rates to be charged its subscribers in Vermont; that the proposed changes are unfair and unjust; that the contemplated proposal to entirely abolish free calls between certain exchanges was, after full hearing by you in 1919, denied said Company; that thereafter, for different expressed reasons, the Company entirely ignored said ruling.

Your petitioner therefore humbly prays that a day be set for consideration of said proposed changes of rates and that finally said order of 1919 be renewed, repeated and explained to said Company to the end that the rights and privileges of the citizens of Northeastern Vermont may be fully protected, and such further order be made to restrict said Company from collecting toll charges in excess of lawful authority.

THE CALEDONIAN-RECORD PUBLISHING COMPANY, INC.

By HERBERT A. SMITH, Its President.

The following reply has now been received from the Public Service Commission setting the date of a public hearing on June 29th at 9 A. M. at the State Armory in St. Johnsbury:

## STATE OF VERMONT PUBLIC SERVICE COMMISSION

Walter A. Dutton, Chairman, Hardwick  
William R. Warner, Vergennes Eli H. Porter, Wilmington  
Neil D. Clawson, Clerk, Brattleboro, Vermont

To Herbert A. Smith, President  
Caledonian-Record Pub. Co., Inc.  
St. Johnsbury, Vermont.

You are hereby notified that the Public Service Commission of the State of Vermont will be in session at the Armory, St. Johnsbury, Vermont on the 29th day of June, 1922, at 9:00 o'clock in the forenoon, to hear and act upon a petition filed by the Citizens of St. Johnsbury et al vs. New Eng. Tel. and Tel. Co. re rates.

Dated at Brattleboro, Vt., this 24th day of May, 1922.

By Order of the Public Service Commission.

Attest,  
NEIL D. CLAWSON,  
Clerk.

If the New England Telephone company sends out a bill on the first of June eliminating your accustomed free toll calls we would advise every telephone subscriber to pay such charges under protest. This will give you an opportunity to recover the money you pay in excess of the regular rates. If the Public Service Commission rules that an increase of telephone rates is not justified, it is up to the 799 telephone subscribers who signed the Caledonian-Record petition to be represented at the public hearing in St. Johnsbury on June 29th. To make a more impressive case it

would be good policy for the subscribers in various towns to co-operate in presenting their case, secure one of the best spokesmen of the town to argue for them and have facts and figures to submit. A well conducted hearing is essential to the presentation of this case.

The Caledonian-Record will be represented at the hearing by Attorney David E. Porter who has a thorough knowledge of the entire telephone rate matter. He was attorney for a large number of interests in the hearing in 1919 and won his case before the commission.

## Hall's Catarrh Medicine

Those who are in a "run-down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions.

# NORTH TROY IS WINNER OVER ORLEANS HIGH

Gallup Fans 13 Batsmen But Loses Out In Last Inning

North Troy high school won a hard fought baseball game from Orleans high by the score of 9 to 8 on Tuesday. Gallup, the Orleans twirler fanned 13 but was given erratic support.

Orleans drove two pitchers from the box early in the game, but were held runless after the fourth inning by Aunchman. Gallup had to pitch himself out of several holes before the ninth, due to the loose support he received. It is not to be wondered at that he weakened in the final frame. Battery errors of omission and commission made possible the fusillade of hits that won the game for North Troy in this fatal inning.

Gallup's two doubles were both beautiful hits to deep right field.

The Orleans outfielders played errorless but committing some difficult chances cleverly. Gilbert's throwing to bases featured for North Troy.

North Troy is to be congratulated on their fighting spirit, and a bitterly contested game may be expected on May 30 at Orleans when these two rivals again lock horns.

Never before in the history of this city was there seen such a big crowd of bargain seekers as was seen in front of The Show and Furnishing Sale of the Davis Mercantile Co., at 37 Main Street, Newport, now in the hands of G. W. Groves of Buffalo, N. Y.

To prevent a Panic, we were obliged to call upon the police. Goods were carried away in armfuls. Many people carried away two and three pairs of shoes at the price of one, and in the rapid way in which people purchased, it proved that they found shoes, shippers, rubbers, and furnishings marked down and selling at low prices as advertised.

We wish to make it known to those who were turned away and could not get into the sale that many extra salespeople have been secured to meet the demands of the sale.

So get in line tomorrow and join the crowd and participate in the sale.
